Safari Island Adventure

2.5 hours

AN OUTBACK JOURNEY

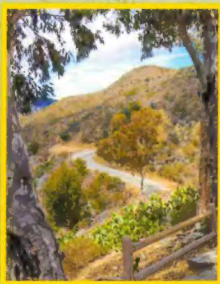

Climb into an open air safari vehicle for a guided eco-expedition that takes you to the outback areas and coastal canyons of the Island Conservancy, home to wild animals like bison, Channel Island fox and bald eagles. Journey up the tree lined "old stage coach road" from sea level to an elevation of 1604 feet, featuring picturesque scenery. Your bumpy transport makes its way through rugged terrain, venturing to Gallagher's Canyon, Swain's Canyon and coastline areas such as "Smugglers" and "Rippers" Cove. The wild animals roam free, which makes every sighting an exciting bonus. On clear days enjoy the 360° panoramic views.

The fee to the Catalina Island Conservancy directly supports the preservation of the animals, endangered species, and endemic plants on Catalina Island.

■ BUS. Allow 2.5 hours.

Trips depart and return from the Cabrillo Mole.

Road conditions: winding & bumpy through mountainous areas.

Glass Bottom Boat Trip

Interactive Experience • 45 min.

A CLASSIC VIEW OF THE UNDERSEA GARDENS

If you feed them they will come! Come aboard Catalina's newest Glass Bottom Boat. The crystal clear waters of Lover's Cove are home to a rich variety of undersea life. Our guides help you identify fish and a "fish finder" is located at every seat. You can feed the fish through specially designed drop tubes. At night, a whole new world unfolds as nocturnal creatures emerge under 18,000 watts of light.

■ **BOAT.** Allow 45 minutes. Trips depart and return from the Green Pleasure Pier. Fish food may be purchased on board vessel at an additional cost.

Photo/Souvenir option available with this trip.
